ENERATES a box typeſet in *EB Garamond*, with ſeueral of the hiſtorical font variants actiuated. It moſtly acts as a wrapper around the *coloredlettrine* package, which creates a decorated dropped initial in two colours of your chooſing. At the moment, it only includes decorated initials for *A*, *G* and *T*, ſo prepare yourſelf for Oulipian conſtraints in your writing. Enjoy! ❧
